CETOL® DEK FINISH™

Cetol DEK Finish is a high-performance, translucent satin finish for exterior decks. The alkyd high solids formulation offers optimum protection, ultimate durability and a beautiful furniture-like finish with the simplicity of a one-product, two-coat application.

- Minimizes cracking due to expansion and contraction of wood
- Allows natural characteristic and grain of wood to show through
- Creates a durable surface barrier to prevent wood from weathering
- Translucent iron-oxide pigments and added UV absorbers for excellent UV protection and clarity

Availability

One gallon (3.78 L) and five gallon (18.9 L) pails available in:

- Natural
- Cedar
- Natural Oak
- Mahogany
